

November 2023

Dear Parent/Career

In Year 7, your child will be taught Product Design as part of the Design and Technology carousel. During this time, students will take part in practical lessons and will require materials like acrylic sheet, wood and other components to make their keyrings and decorations.

To support the department by providing these materials and components, we are asking for a £3.00 contribution for the practical lesson. This can be paid via parent pay by **30th November 2023**.

If there are any issues or questions regarding the practical lessons or the contribution, please contact your child's art teacher via the main school telephone number 0151 330 5142 or email, enquiries@stjohnbosco.org.uk.

Yours sincerely

Mrs Barton
