PSHE OVERVIEW

St John Bosco
ARTS COLLEGE

Living in the wider world:

- Personal and written presentation
- Creating your own business
- Applications and employability

In Year 13, living in the wider world education within PSHE helps pupils develop employability skills through personal and written presentations, creating their own business ideas, and completing applications. This learning equips pupils with practical experience, confidence, and the skills needed to succeed in higher education, training, and future careers.

Health and wellbeing:

- Class A drugs
- Responsible health choices
- Sexual health into adulthood

In Year 13, health and wellbeing education within PSHE supports pupils in understanding the risks of Class A drugs and making responsible health choices. Pupils also explore sexual health in adulthood, equipping them with the knowledge and skills to maintain their wellbeing and make informed, safe decisions.

Relationships and sex:

- Fertility
- Pregnancy
- Personal values and sexual health choices
- Safety

In Year 13, relationships and sex education within PSHE helps pupils understand fertility, pregnancy, and the responsibilities involved. Pupils explore personal values and sexual health choices, as well as strategies for maintaining safety. This learning equips pupils to make informed, responsible decisions and build healthy, respectful relationships in adulthood.

Living in the wider world:

- Contracts
- Saving and budgeting
- Debt
- Influences on financial choices

In Year 13, living in the wider world education within PSHE develops pupils' financial literacy. Pupils learn about contracts, saving and budgeting, managing debt, and the factors that influence financial choices. This learning equips pupils with the knowledge and skills to make informed, responsible decisions and prepare for independent adult life.
