
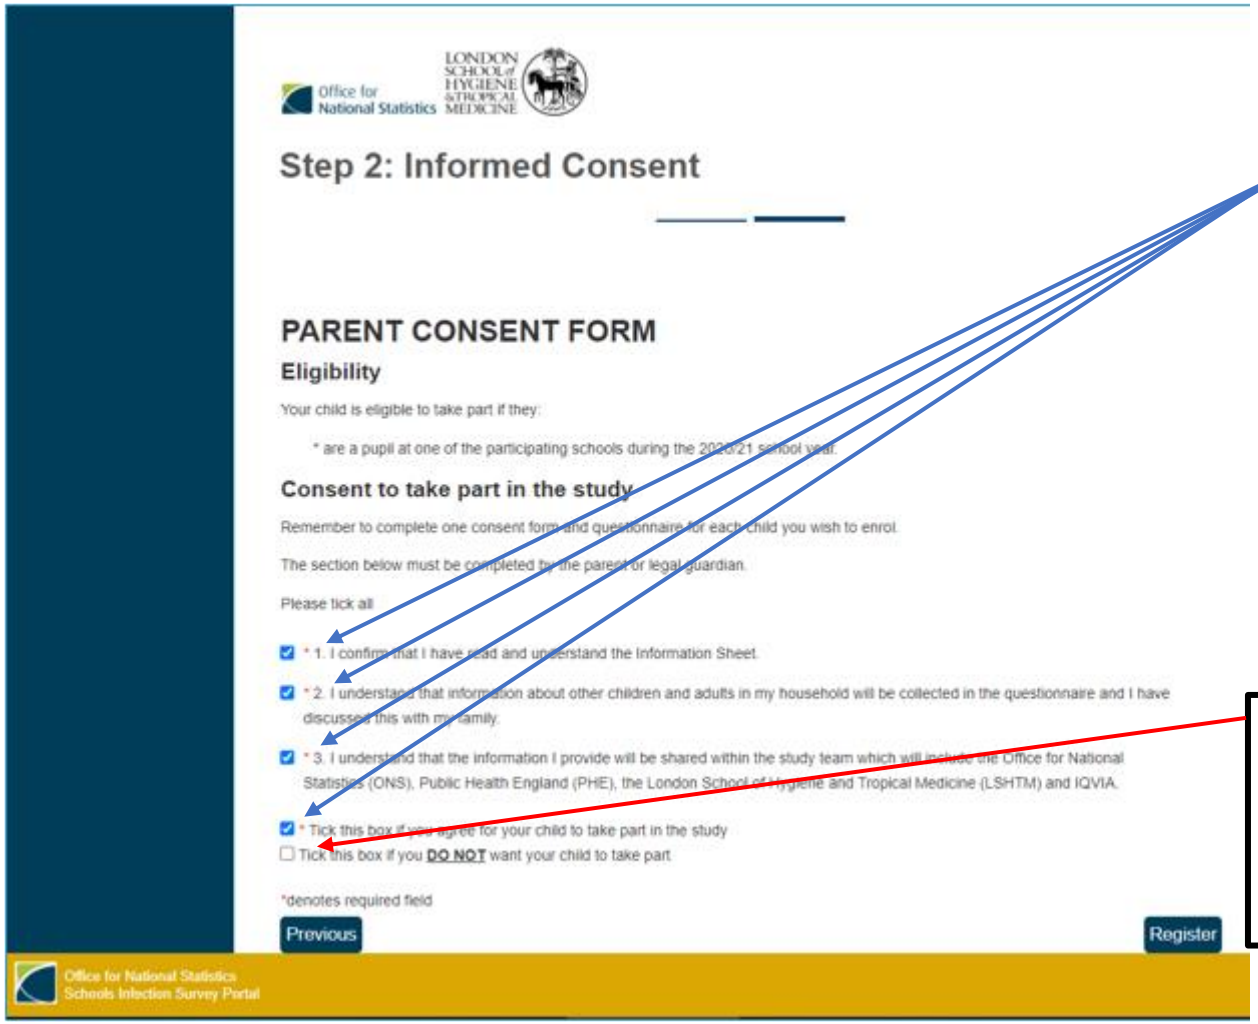
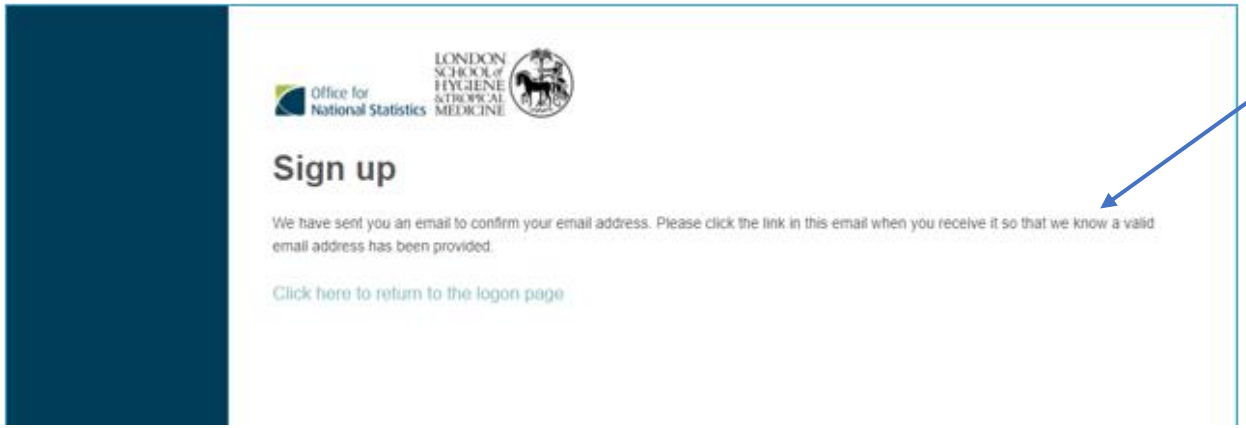
Parents **MUST SELECT NO** to the Student and Staff Yes/No questions at first registration page – this will direct them to the Parent area of the portal



Parents will be directed to the Parent Consent Form; items 1-3 and 'Tick this box if you agree…' must be ticked to proceed

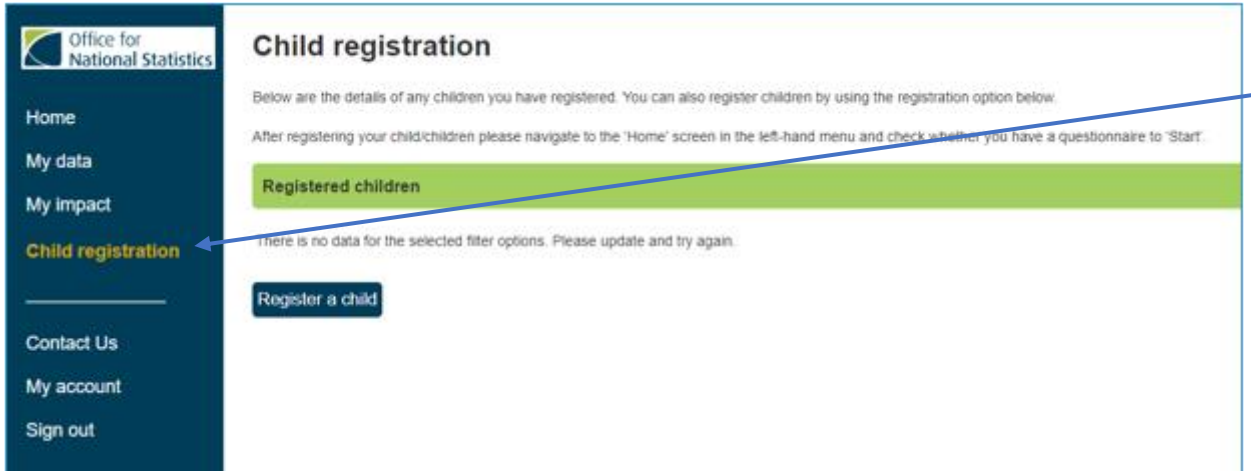
If a parent selects they DO NOT want their child to take part, then they are encouraged to close their web browser



PLEASE CHECK JUNK MAIL

Parent will receive a verification emails often landing in Junk mailboxes.

The registration process requires both the 'Child Registration Page' and Enrolment Survey for each child is complete.



On the landing page, first click 'Child Registration Page' to register your child /children

Child registration
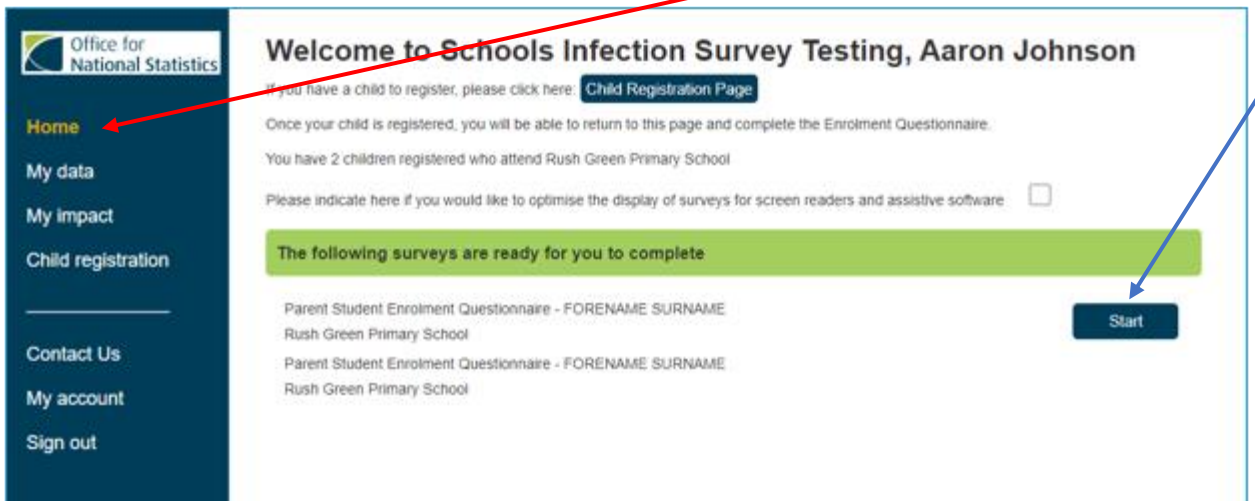
Below are the details of any children you have registered. You can also register children by using the registration option below.
After registering your child/children please navigate to the 'Home' screen in the left-hand menu and check whether you have a questionnaire to 'Start'.
Registered children
There is no data for the selected filter options. Please update and try again.
Register a child
*denotes required field
First Name *
FORENAME
Last Name *
SURNAME
School reference code *
101212
* 1. I understand that my child's participation is voluntary. I am free to withdraw my child from any round of testing without giving a reason and without my child's care or education being affected.
* 2. I have explained to my child what is involved in the study and my child is happy to participate.
* 3. I understand that if my child's nasal swab is positive, the results will be reported to the school and the NHS test and trace programme.
Please agree to all consent requests
Save
Parents enter the first name, last name.
School reference code goes here which stated on the invite letter.
To register more than one child, I save the details of the first child, and then click 'Register a child' to enter details of second child – and so on….

VERY IMPORTANT ***CHILD REGISTRATION IS NOT COMPLETE UNTIL ENROLMENT SURVEY IS ALSO COMPLETED***

Once parent has registered all their children, parent must click 'HOME' to move to the enrolment survey. .



Once parent has clicked home, they must start and complete the enrolment questionnaire for each child they are registering.

TRACK YOUR PROGRESS

In the 'My Impact' tab, parent can see all the surveys they have completed, and what might be outstanding

FOR ANY QUERIES OR REQUEST TO CANCEL REGISTRATION PLEASE CALL THE HELP DESK ON: 0800 917 9679
