

27th May 2021

Dear Parent/Carer;

We are taking this opportunity to thank you for all your support over the past four years – and to ask for your continued support this year so that we can maximise your daughter's success.

Year 11 is a crucial year: GCSE examinations are the key to the next level of education and onwards into successful career.

With this in mind, there will be a series of events happening w/c 7th June that will support your daughter in preparation for heading into year 11. These events include the following:

- **Attendance meetings:** your daughter will attend a meeting with either the Headteacher or a Deputy Head. This will take place during the school day and will promote the importance of attendance to school and all lessons.
- **Elevate session:** on Wednesday 9th June, all year 10 will participate in a study skills programme with Elevate. This session will enable students to learn how to revise, how to manage study notes and support their transition into year 11.
- **6th form preparation assembly:** Ms. Lyon will be delivering an assembly on an 'Introduction to 6th Form at Bosco' on Tuesday 8th June in morning registration.
- **Parent and Carer webinar:** there will be an online Zoom webinar on **Wednesday 9th June at 5.30pm** with the year 10 pastoral team for all parents and carers to discuss how we can support your daughter's attendance and preparation for the year to come. The link for the webinar will be sent via Parent App.

Attendance and punctuality is vital to these sessions to prepare your daughter for the next steps in her education.

Yours faithfully,

The Year 10 Pastoral Team
