

7<sup>th</sup> September 2020

Dear Parent/Carer,

**RE: Year 11 Information Evening**

There will be an information evening for parents of Year 11 students on Thursday, 10<sup>th</sup> September at 6:00 p.m. During the evening school will share information about how we intend to support your daughter throughout the year. Topics discussed will include how we can regain lost learning time, the examination series next summer, changes to GCSE and BTEC specifications, how we can support pastorally, as well as subject specific advice from English, Mathematics and Science.

Under normal circumstances, we would run this event in the school building and there would be an opportunity to discuss concerns with individual members of staff. Due to current restrictions related to Covid-19, this event will be delivered via Zoom and joining instructions will be sent to your daughter's school email address. Zoom can be accessed through a mobile phone, tablet, laptop or desktop PC.

**The Zoom meeting will be open from 5:50 p.m. to allow a 6:00 p.m. prompt start. Please ensure when you join the Zoom meeting that you mute your microphone to enable all families to clearly hear the information being shared.**

I would like to take this opportunity to thank you for your continued support during what we know is a difficult time. If you have any questions about the information evening, or you have subject specific concerns that you would like to discuss, please contact a member of the Year 11 team directly at school.

Yours sincerely

*D Gidman*
