Dear Parent/Carer

We are delighted to inform you that we have been successful in applying to become part of the National School Breakfast Programme (NSBP) and, as such, we are now able to offer a FREE BREAKFAST to all of our students.

This initiative is funded by the Department for Education and delivered by the charity Magic Breakfast. The aim of Magic Breakfast is very simple “no child too hungry to learn”. A healthy breakfast can provide children with the energy and nutrients they need to thrive; increasing alertness, improving behaviour and giving them the motivation to learn. It can also improve punctuality to school in some instances.

We are happy to offer a healthy breakfast to all our children and we would welcome your child to join us for a great start to the day. We are able to offer a selection of cereals and fresh baked bagels absolutely FREE!

Our free breakfast offer will be available from: 7.30am – 8.20am each day.

Yours sincerely

D. Gidman
