Mock Emergency Day - 8th July 2019

Dear Parent/Carer

As you know our students' welfare and safety is vitally important to us. For this reason, it is necessary for us to practice our emergency procedures. To ensure students know what to do in an emergency we will be holding a Mock Emergency Day (MED) where staff and students will practice procedures for a full school lockdown.

The MED will take place on the afternoon of Monday, 8th July 2019. There will be no alteration to the school day and students will need all the equipment for their timetabled lessons on the day. We are hoping to have as little disruption as possible and for students to engage with lessons as normal.

The scenario used on the day will allow us to assess our emergency procedures, and ensure the safety of our school community.

We thank you for your continued support.

Yours Sincerely

D. Gidman
