

14<sup>th</sup> July 2022

Dear Parent/Carer

As you are aware, your child will be starting their GCSEs in September and will be completing AQA Combined Science (Trilogy). In order to prepare them for this course the school will be providing them with a 'knowledge organiser and recall' book from CGP at the start of the autumn term. This will be for use both at home to support homework, and in lessons.

Other CGP resources are also available to buy through ParentPay. Ordering through school allows us to offer them at a discounted price from the RRP.

- CGP Combined Science Revision Guides (Higher or Foundation) for £6 and
- CGP Combined Science Revision Cards for £8.50.

If you wish to purchase either of these, please order through ParentPay by the 12<sup>th</sup> September. The order form will be available from today. Please contact the school if you are in financial hardship as funding can be made available to assist.

We thank you for your continued support. Please do not hesitate to contact me for further information or any questions.

Yours sincerely

*J Houghton*
