5th November 2026

Dear Parent/Carer(s)

The Sixth form mock examinations for Y13 A level subjects and KS5 Applied General begin on **Monday 30th November until Friday 4th December**.

At this time of year, it is important that your child has a focused approach to all their studies and attendance both in the buildup to the mocks and during the mock season is essential.

The schedule for exams is attached.

This mock exam series is not only a vital assessment point for their A level courses and essential preparation for the upcoming external assessments in January in the Applied General subjects, but also a chance to see what the Summer 2027 exams will look like. In the week prior to the mock series starting, we will have an assembly to remind pupils of the exam regulations and expectations. This will be the opportunity for pupils to ask any questions or to clarify any concerns they may have.

Thank you in advance for your support in ensuring your child attends school over the coming weeks and for supporting them in their revision.

Please do not hesitate to contact either Mrs McGrath (Exams Officer), Ms Lyon, or Mrs Sullivan if you require any further information.

Yours sincerely

*J Sullivan*
