How have you/your school previously supported another school?	<p>I have supported a number of schools in Lancashire in the past in my role as Lead Teacher of Music for the county. Previous to this I was an AST for 8 years.</p> <p>Most of my support has been working with colleagues in challenging circumstances. I have helped them to improve the quality of their lessons and assessment tracking.</p> <p>I also wrote the Assessment Without Levels Scheme for Lancashire County Council which has been adopted by a large number of schools across the county. I also led standardisation meetings using the scheme.</p>
What was the specific Impact of your support?	<p>I have supported a number of colleagues who have dramatically improved their teaching and come out of competency procedures as a direct result of my intervention.</p> <p>My work on the assessment without levels scheme provided a level of consistency amongst schools across Lancashire that was standardized.</p>
