<p>How have you/your school previously supported another school?</p>	<p>Further to my significant leadership experience in my current school, I have extended my leadership to support St Gregory’s Catholic High School, Warrington. The Head of English had identified a significant gap between the Language and Literature GCSE results. Through discussions at senior leadership level, I was approached to offer support and guidance to improve the work of the English department at St Gregory’s. During our meetings, I shared my own and my department’s good practice.</p>
<p>What was the specific Impact of your support?</p>	<p>e.g. Improved teaching and learning (give detail)/ Improved results (state the improvement and progress over time) It was decided that the following strategies would be developed:</p>

	<ul style="list-style-type: none"> • Raise profile of Literature at KS3 with skills/AFs explicitly taught from KS3 • Literature focused intervention • Track and monitor Literature more frequently and conduct equal mock exams in Lang and Lit • Dedicated Literature Days i.e. Shakespeare focus • Use Social media to communicate revision to pupils • Increase recall and review opportunities with more frequent knowledge tests <p>I am proud to say that, since my support, the 4-9 results in English Literature increased from 69.5% to 80%</p>
