<p>How have you/your school previously supported another school?</p>	<p>In previous roles I was seconded to a Tameside school in need of leadership capacity and an expert on behaviour and attendance after being given an Inadequate Ofsted judgement. I also supported a school in Oldham, again which was Inadequate, to improve its situation.</p>
<p>What was the specific Impact of your support?</p>	<p>Tameside school – removed from Serious Weaknesses, improvements in judgements on teaching, learning and assessment, improved attendance, improved pupil progress at GCSE and closed gaps between PP and Non-PP. Supported the leadership team which was then rated as ‘Good’</p> <p>Oldham school – removed from Special Measures. Led on Behaviour, Welfare and Attendance all of which improved significantly; reduction in fixed and permanent exclusions, increase in overall attendance and reduction in persistent absenteeism.</p> <p>As a result of support I gave to both schools Leadership and Management were rated as ‘Good’ overall.</p>
