

SLE – Personal Profile

<p>Name</p>	<p>Victoria Brown</p> 
<p>SLE designation (Date of designation & Teaching School)</p>	<p>July 2018</p>
<p>Current School</p>	<p>St John Rigby Sixth Form College, Wigan.</p>
<p>Most recent OfSTED judgement (Overall and Leadership)</p>	<p>Inspection dates 14–17 February 2017</p> <p>Overall effectiveness Outstanding</p> <p>Effectiveness of leadership and management Outstanding</p>
<p>Particular area(s) of Expertise/Strength</p>	<p>Science</p> <p>Assessment</p> <p>Leadership of continuing professional development (CPD)</p> <p>Leadership of curriculum</p>
<p>How have you/your school previously supported another school?</p>	<p>This year, as a teaching and learning led, I have also enjoyed supporting peers within the biology department at a secondary school in Bury as part of an intercollege collaborative project. In this role, I have performed an eQIP2 and resource review, completed a centre visit including lesson observations and provided a written summary for the department. I also organised and facilitated a return visit for the HODs, including resource sharing and lesson observations.</p>

	<p>I presented my educational research on the topic 'The impact of Live marking and Modelling' at ResearchMeet at a Sixth Form College in June 2018.</p> <p>I led the 'Stretch and challenge for the most able learners' session at WASCL Science Strand Development Day at a local College in June 2018.</p> <p>I am currently organising Teachmeet Northwest for teachers across the secondary and college provision in Wigan and the Northwest region on 20TH Nov 2018.</p>
What was the specific Impact of your support?	<p>Feedback from the Principal and the Curriculum is that 'they are very pleased with the work that we have been doing'.</p> <p>Both presentations received positive feedback from colleagues at a number of different institutions.</p> <p>The Teachmeet will offer an opportunity to 70 colleagues across a large selection of schools and colleges to share ideas and the key note speaker is Craig Barton.</p>
